The Chairperson (Mr Gildernew): This SR introduces a requirement for those arriving here to have notification of a negative COVID test on arrival and places obligations on commercial transport operators in that regard.

Do members have any further issues that they wish to raise in connection with the statutory rule? No? Therefore, I ask members to agree formally that the Committee for Health has considered SR 2021/10, the Health Protection (Coronavirus, International Travel, Pre-Departure Testing and Operator Liability) (Amendment) Regulations 2021, and has no objection to the rule.
