The Chairperson (Ms P Bradley): Members, we began our consideration of the report at our meeting on Tuesday past, 11 May. A number of changes and additions were suggested. The amended sections of the report were then circulated to members for comment, followed by a second version with some additional comments. The second version is in members' tabled papers. I need to read it into the record that the Committee is content with the new sections of the report.

We will start with the section on the Committee's deliberations on the Bill. Do members have any comments, or are you content with that section as amended?

Members indicated assent.

The Chairperson (Ms P Bradley): We move to "Clause by Clause Consideration of the Bill". Do members have any comments, or are you content with that section as amended?

Members indicated assent.

The Chairperson (Ms P Bradley): Finally, are members content that the text of the Committee's report is now final and can be published?

Members indicated assent.

The Chairperson (Ms P Bradley): Good stuff. Thank you.

Ms Armstrong: I know. We should maybe give ourselves a round of applause.

The Chairperson (Ms P Bradley): I know. It feels that way.
